### World Day of The Sick

Each year on February 11, the Catholic Church marks the World Day of the Sick. This is a time to offer prayers for those who suffer from illness and for their caregivers.

*To care for the sick thus means above all to care for their relationships, all of them: with God, with others—family members, friends, healthcare workers—with creation and with themselves.— Pope Francis*

**Pope Francis has invited Bishops around the world to establish a special day of prayer in the Church year to support the journey of human and spiritual recovery.** This day is not only for victims and survivors who have been so severely injured, either inside or outside our Church, but also for the families and communities affected by grief for their loved ones. Within Down and Connor to mark this important event mass will be celebrated on **FRIDAY 7<sup>th</sup> March in Saint Patrick's Church, Donegall Street, Belfast at 1:00pm** to pray for and remember victims and survivors of abuse within our Church. At this mass the Candle of Atonement will be lit. You are invited to attend this important Diocesan event. If you cannot attend in person, you are more than welcome to join virtually. via webcam at [ST.PATRICKS.CHURCH.SERVICES.WEBCAM](http://ST.PATRICKS.CHURCH.SERVICES.WEBCAM)
